

# Eagle Valley Couples Golf Club 2015

---

**Come and join us one Sunday a month March thru October**

**Each month is a different tournament format**

For those who have their Ghin fees paid by another club the fee to join is \$10.00 per person. If your NNGA Ghin number is paid by **Eagle Valley Couples Club** the fee to join is \$40.00, which includes \$30.00 NNGA dues. In addition, an additional entry fee of \$10.00 per person will be charged for each tournament which will go towards the prize money for that tournament.

Eagle Valley Golf Course offers various green fee programs and their staff can provide you with a list of them. **The 50 Mile Club** is a great value.

The club requires that each member have a valid handicap. Anyone who wants to join and does not have a handicap, each team member must provide **3 recent scorecards** before your first tournament, in order to help establish a handicap.

Below is a list of tournament dates and tee times. All tournaments will be held on Sunday and have a shotgun start. If you have an email account, please provide it on your application. One week prior to the tournament you will receive a reminder from [EagleValleyCouples@gmail.com](mailto:EagleValleyCouples@gmail.com). Please respond to this email as to whether or not you will be joining us for that tournament. There will also be a sign up sheet posted each month on the Couples Board at Eagle Valley Golf Course. The deadline for signing up will be the Wednesday prior to the Tournament.

The Golf Course is limiting us to 30 couples. In the event an emergency should happen and you are unable to make one of the tournaments after you have already signed up, please contact one of the Board Members. A no call no show makes it hard on the other couples in the club as last minute rescheduling must be done before the club can tee off. If you are consistently a no call no show, you may be dropped from the Eagle Valley Couples Club in order to make room for another couple on the waiting list.

Please remember to check in 30 minutes prior to the start of the Tournament.
